Blue – 12 points

Purple – 8 points (if you use whole wheat pasta)

Green – 14 points

- 6 strips center cut bacon
- 1 Tbsp olive oil
- 1 pound boneless, skinless chicken breast
- salt and pepper to taste
- 1 tsp garlic powder
- 1 Tbsp light butter
- 3 cloves garlic, minced
- 1 cup diced grape tomatoes
- 2 cups fresh spinach
- 1 1/2 tsp paprika
- 1 tsp Italian seasoning
- 1/4 tsp crushed red pepper flakes
- 1/2 tsp salt
- 1 1/2 cups fat free half and half
- 3 oz fresh parmesan cheese, grated
- 8 oz penne pasta – NOTE: to keep points lower I use Ronzoni 150 pasta, it is 4 points for 2 oz. uncooked. Adjust points to whatever kind of pasta you use. If you

are on Purple, use whole wheat for 0 points

- 2 Tbsp chopped fresh parsley, optional

1. Cook bacon until crispy. Set aside on paper towels to drain. Chop into 1 inch pieces
2. Pat dry the chicken with a paper towel. Season with salt, pepper and garlic powder and set aside
3. Heat olive oil in a large deep skillet. Add chicken breasts and cook on each side on medium high heat for about 4-5 minutes per side for a total of 8-10 minutes or until nicely browned and cooked through. Remove chicken from pan. Let rest 5 minutes and then slice.
4. Add butter to the hot pan and once it melts, add chopped garlic and cook 30 seconds until fragrant.
5. While preparing the sauce, start pasta cooking. When done, drain, but do not rinse.
6. Add tomatoes and cook for 3 minutes on high until tomatoes release their juices. Add fresh spinach and cook until it wilts.
7. Season with paprika, Italian seasoning, crushed red pepper flakes and salt. Mix.
8. Add half and half and bring the mixture to a boil. Reduce to simmer and slowly add the parmesan cheese – stir until the cheese melts and the sauce is creamy.
9. Add the sliced chicken, bacon and pasta. Next add chopped parsley. Stir until fully coated in sauce. Adjust seasonings to your taste. Serve.

# Very Berry French Toast Casserole

Serves 6

Blue – 4 points

Purple – 4 points

Green – 8 points

## Compote Ingredients

- 3 cups assorted berries of your choice (if using strawberries or large raspberries or blackberries, cut into smaller pieces)
- 3 Tbsp zero calorie sweetener of choice (or 3 packets)
- 2 Tbsp cornstarch
- 2 Tbsp water
- 2 tsp lemon zest, optional
- 2 tsp fresh lemon juice, optional

## French Toast

- 12 slices 1 point bread (647 Bread, Sara Lee 45 Calorie, cubed)
- 2 cups 1% milk
- 8 eggs
- 1 Tbsp cinnamon
- 1 tsp nutmeg
- 1/2 tsp salt

- 2 tsp vanilla extract
- 1/2 cup zero calorie sugar substitute that measures like sugar (Lakanto Monkfruit, Swerve)
- 2 Tbsp light butter

## Compote

1. Place water, sweetener and cornstarch in a medium saucepan. Stir with whisk until combined. Add berries and mash them a bit with a potato masher to release juice and make them a chunky "jam like" consistency.
2. Cook over medium heat, stirring constantly until mixture comes to a boil. Turn heat down and let cook about 5 minutes or until thick. Add lemon zest and juice. Stir. Set aside to cool.

## French Toast

1. Spray a 9×13 baking dish with non stick spray. Sprinkle bread evenly over the bottom of the dish.
2. In a large bowl, beat eggs. Add milk, sugar substitute, vanilla, and spices. Whisk until all ingredients are combined.
3. Pour egg mixture over the bread. Dot with butter.
4. Cover and refrigerate 1/2 hour.
5. After a 1/2 hour, take cooled compote and pour evenly on top – you may not need the entire amount – start at one end and judge as you pour. Once you have all the compote on, take a spoon and swirl/fold it gently into the bread mixture. You don't want it sitting on top, but don't want it at the bottom either. Let chill another 1/2 hour or at this point you can cover and refrigerate overnight.
6. When ready to bake, preheat oven to 375. Bake for 35-40 minutes.

# Peasant Bread

## Peasant Bread

Makes 2 loaves, each loaf gets cut into 12 pieces – cut down the middle and then slice each half into 6 pieces

1 piece on Blue, Purple and Green – 2 points

- 4 cups all purpose flour
- 2 tsp kosher salt
- 2 cups lukewarm water – 110 to 115 degrees
- 1 Tbsp zero calorie sugar substitute that measures 1:1 like sugar. I use Lakanto Monkfruit (\*\*if you use regular sugar, the bread is 2 points for 1 slice and 5 points for 2 slices\*\*)
- 2 tsp active dry yeast

1. In a medium mixing bowl, mix the sugar into the water until the sugar dissolves. Sprinkle the yeast over top. Set aside while you prepare the flour
2. In a large mixing bowl, whisk together the flour and the salt.
3. Mix the yeast gently into the water with a whisk.
4. Add the water/yeast mixture to the flour. Stir with a rubber spatula or wooden spoon. The dough will be sticky.
5. Cover with a piece of plastic wrap sprayed with non stick spray. Put in a warm place to rise for 1 1/2- 2 hours. \*\*\*See note below on how to create a warm place

6. After the dough has risen. Grease two 1 to 1 1/2 quart oven proof bowls.
7. Using two forks, punch down the risen dough, scraping it from the sides of the bowl, which it will be clinging to. As you scrape it down, try to turn the dough up onto itself. You want to loosen the dough entirely from the sides of the bowl, and you want to make sure that it was punched down (deflated). Take the two forks and divide the dough into two equal portions – eyeball the center of the mass of dough and staring from the center and working out, pull the dough apart with the two forks. Then scoop up each half of the dough and place into your prepared bowls.
8. Let the dough rise again for 30 minutes or until it has risen to just below or at the top of the bowl. While the dough is on it's second rise, preheat the oven to 425
9. Once the dough has completed it's second rise, bake at 425 for 12 minutes, then reduce heat to 375 and cook 12 minutes longer or until golden brown.
10. Remove from oven and turn out onto a cooling rack. Cool for 10 minutes before cutting

\*\*\*To create a nice environment for the dough's first rise, turn your oven to preheat and set it at 200. Let it preheat for JUST ONE MINUTE and then turn it off. The temperature will probably not change, it just heats it up a bit. Place dough in oven WITH OVEN OFF to let rise. Remember, just preheat for one minute – you don't want the oven to reach 200\*\*\*

Blue, Purple – 5 points Green – 6 Points

I serve with a slice of crusty bread and a side salad

- 3 Tbsp light butter

- 1 small onion, very finely chopped
- 2 stalks celery, very finely chopped
- salt and pepper to taste
- 1 tsp Old Bay Seasoning
- 2 cloves garlic, minced
- 2 Tbsp tomato paste
- 3 Tbsp flour

1. In a large, heavy pot over medium heat, heat butter. Add onion and celery and cook until soft, about 5 minutes. Season with salt, pepper and Old Bay, then stir in garlic and tomato paste. Cook until garlic is fragrant and tomato paste coats vegetables, about 2 minutes. Sprinkle over flour and cook until absorbed, 1 minute more.
2. Pour in vegetable broth and wine, then stir in bay leaf. Reduce heat and let simmer until liquid is reduced and flavors meld, stirring occasionally, 30 minutes.
3. Remove bay leaf and puree soup with an immersion blender on high (if you do not have an immersion blender, puree in batches in a regular blender) until very smooth. Return to medium low heat and stir in half and half and the crab, reserving 4 Tablespoons of the crab for garnish. Cook until just warmed through, about 5 minutes.
4. Divide among bowls and garnish with remaining crab and parsley.
