

Hot Cocoa Mix (Dairy Free)

Homemade Hot Chocolate Mix

Use

- 1 – 1/2 cups cocoa powder
- 2 cups powdered sugar
- 1/4 teaspoon salt

1. Combine all of the ingredients in a mixing bowl and whisk together until completely combined.
2. Homemade hot cocoa mix will last almost indefinitely when stored in an airtight container.
3. Add two tablespoons of cocoa mix to 8 ounces of warmed milk or water. Stir until no clumps are left.
