Hot Cocoa Mix (Dairy Free)

Homemade Hot Chocolate Mix

Use

- 1 1/2 cups cocoa powder
- 2 cups powdered sugar
- 1/4 teaspoon salt
- 1. Combine all of the ingredients in a mixing bowl and whisk together until completely combined.
- 2. Homemade hot cocoa mix will last almost indefinitely when stored in an airtight container.
- 3. Add two tablespoons of cocoa mix to 8 ounces of warmed milk or water. Stir until no clumps are left.
